She is a graduate of Drew College Preparatory School in San Francisco, California.. She appeals to her fans because of her sense of humor, her deeply felt insights, and her outspoken views on topics such as her left-of-center politics and her unconventional Christian faith.. Anne Lamott is an author of several novels and works of non-fiction Based in the San Francisco Bay Area, her non-fiction works are largely autobiographical, with strong doses of self-deprecating humor and covering such subjects as alcoholism, single motherhood, and Christianity.
